

The Pascale Method for Beginning Violin: Workbook, Book DVD

By Susan Pascale

Alfred Music, United States, 2013. Paperback. Book Condition: New. 297 x 229 mm. Language: English . Brand New Book. In The Pascale Method for Beginning Violin students read notes and play their instruments from day one. During the 12-week program, they master skills quickly and easily. This Galamian-based violin method includes a DVD that presents all the exercises in detail, performed by real students as young as 5 years old; clearly defined goals written into each weekly practice assignment; theory and rhythm worksheets with flashcards; quizzes, tips and fun factoids; an easy to use glossary; and even a diploma for the graduate! The companion Sticker Buddies 12 Lesson Pak provides the student with a fun, interactive way to complete each lesson and is sold separately.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
