

The Future of Pakistan

By Stephen Philip Cohen

Brookings Institution Press. Paperback. Book Condition: New. Paperback. 311 pages. With each passing day, Pakistan becomes an even more crucial player in world affairs. Home of the worlds second-largest Muslim population, epicenter of the global jihad, location of perhaps the planets most dangerous borderlands, and armed with nuclear weapons, this South Asian nation will go a long way toward determining what the world looks like ten years from now. The Future of Pakistan presents and evaluates several scenarios for how the country will develop, evolve, and act in the near future, as well as the geopolitical implications of each. Led by renowned South Asia expert Stephen P. Cohen, a team of authoritative contributors looks at several pieces of the Pakistan puzzle. The book begins with Cohens broad yet detailed overview of Pakistan, placing it within the context of current-day geopolitics and international economics. Cohens piece is then followed by a number of shorter, more tightly focused essays addressing more specific issues of concern. Cohens fellow contributors hail from America, Europe, India, and Pakistan itself, giving the book a uniquely international and comparative perspective. They address critical factors such as the role and impact of radical groups and militants, developments in...
