Language: English Brand New Book ***** Print on Demand *****.Excerpt from Menology of the Society of Jesus, English-Speaking Assistancy, Vol. 1: Comprising the Provinces of England, Ireland, Maryland and Missouri, Together With the Missions of Canada and New Orleans The recent publication of a general Menology of the Society in different series, each bearing the title of the particular Assistancy to which the lives recorded in it belong, has suggested the combining of the Provinces which form the English Assistancy, under the comprehensive title of a Menology of the English-Speaking Assistance. In preparing this composite Menology, application has been made to the Superiors and historians of each Province treated of, and as Canada now forms part of the British Dominions, the records of the noble army of French Missionaries and Martyrs who have evangelized that country and watered it with their blood are also included. Besides thanking the various Fathers who have kindly supplied information, an especial acknowledgement is due to the compiler of the Menologies of the French and German Assistancies, for the favour readily granted of being permitted to complete with the aid of these the historical notes derived from other sources. The only point on which the present Menology differs from those lately issued, is in the absence of the list of references appended to each particular Life.
