Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

TRANSLATION

Kent State University Press. Paperback. Book Condition: new. BRAND NEW, Translation, Matthew Minicucci, oWhat are we to do with anger? What are we to do with love? What are we to do with one another, given all that happens and has happened between us? These are a few of the questions that haunt Matthew MinicucciAEs deeply original and profoundly moving poems. In work personal and learned, steeped in familial life, the natural world, and the cultureAEs storehouse of literature, myth, and history, Minicucci transforms outward knowledge and observation into accurate and deftly navigable vessels of inner life. WhalesAE hearts and family stories; etymologies, metrics, and syntax; the war machines and fishing lures of past and present worldsuall are harnessed together, hammered together, in this book-long exploration of our shared and particular human fates.ouJane Hirshfield oMatthew Minicucci begins his collection with his prize-winning poem, aeA WhaleAEs Heart,AE where in the old world, a rose petal tincture was used to minimize a scar, but never concealed it completely. This is a book of such faint scars, losses almost imperceptible but there, hidden under the hairline, or just above the heart. It is how these losses are transformed, through the alchemy of memory, forgiveness and love, small, intense, painterly studies of a country populated by the human family.ouDorianne Laux olf fate is, as Aurelius contends, a weaver, Matthew MinicucciAEs remarkable collection Translation stunningly unravels all we have been given: the fate of each species, the fate of each family, the fate of languages, and the fate of the ancient texts which constitute the violent, compelling sea on which so much of our understanding of the present floats and into whose complex amnion we never tire of descending. Translation not only explores what we might call the work and origins of literal translation, but...
