

The Krishnamurti Reader

By Mary Lutyens (ed.)

Penguin, New Delhi, India, 2002. Paperback. Book Condition: New, Dust Jacket Condition: New, First Indian Edition, This reader introduces to a wide public one of the most extraordinary and profoundly influential teachers of the twentieth century. Krishnamurti was educated by Annie Besant to be the World Teacher and the salvation of the nations; he rejected this Messianic role, announcing that he did not seek disciples, but his gentle, simple and human example inspired Aldous Huxley and continues to influence seekers after truth in our own day. Krishnamurti did not have a philosophy. Rather, he hoped to liberate people from all systemsfrom the bonds of ideology and received opinion as well as from organized religion, from the tyranny of the mind and the tyranny of the body. His message, addressed directly to every individual, is one of unity and wholeness, of total understanding and total love. As the Observer said of one of his books, For those who wish to listen, it will have a value beyond words.' Printed Pages:256. Size: 13 Cms x 19 Cms.

Reviews

A fresh e book with an all new viewpoint. It can be rally exciting through studying period of time. You will like the way the writer write this publication.

-- Tania Cormier

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. I realized this publication from my dad and i recommended this publication to understand.
