

Hand Book Of Biology

By Rahul Chawla

Galgotia Publications Pvt. Ltd. Soft cover. Book Condition: New. This book can be considered as a last ditch stand for all the students preparing for PMTs, who cannot afford to give themselves a second chance and another year of tiring studies. This 128 page-hand cum pocket book gives you an overview of the complete biology syllabus so it is easier for the students to revise at the last moment. The book would be extremely helpful in last minute revision.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
