Reviews

This publication is fantastic. It is one of the most amazing publication i have got study. I am just pleased to explain how this is actually the best pdf i have got read through in my individual lifestyle and could be he finest publication for possibly.

(Mr. Kristoffer Hills)

THE MESSENGER OF MATHEMATICS VOLUME 3-4

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1874 Excerpt: .I do not propose to introduce it as a chapter in elementary geometries; but that I do consider it as representing what is to my mind the only satisfactory treatment of the logical question, except so far as it may be put in a more condensed shape by the help of algebra. Having regard to the differences of opinion which exist among us (the teachers) not only upon details, but upon fundamental questions, in this matter of proportion, I entertain the gravest objection to giving forth to our pupils, under the sanction and in the name of the Association, an accidental compromise, as a geometrical gospel. We digress for a moment to endorse what Mr. Merrifield has so well said about postponing difficulties till after the student has become acquainted with his subject. The learner is no competent critic of what he is being taught, and it is impossible to make clear to him the inherent difficulties that underlie a subject till he has made some progress in it. We have often thought that some of the Cambridge text books, e.g. Todhunter's Differential Calculus, are too rigorous; that is, for the learner. Real familiarity with the Calculus is required before the difficulty of establishing Taylor's theorem (or rather before the exact extent to which it is true) can be properly appreciated; and the student, when he arrives at it, might well be merely cautioned that there was some difficulty, and allowed to pass on,...
