Wipf Stock Publishers, United States, 2015. Paperback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.It is not possible to look at the ministry of Jesus without noticing his concern for the poor and the sick. He not only had a huge sense of compassion for people who were suffering, but sent people out to heal the sick and tell them the Kingdom of God is near them. This concern for health and wholeness has inspired Christians through the ages as they have cared for the sick, founded hospitals, and been at the forefront of public health movements. In the nineteenth century, the church was one of the major influencers in initiating ministries of health, both through the work of its own deaconesses and the involvement of its members as they felt a sense of vocation to nursing and public health work. Florence Nightingale was a theologian and statistician as well as being a nurse leader. However, with the advent of state health provision and private health insurance schemes, the role of the local church in health has diminished. This book describes a simple way for churches to re-engage with health ministry and presents evidence that underlines not only a Biblical authenticity for its place in the mission of a local church, but also a compelling rationale for its implementation. It will be of interest to church leaders and all those involved in health care. Helen Wordsworth tells an interesting story of how churches can connect with their local communities through the medium of nursing care, even in a context like the UK which has an effective system of free national health care. It gives another insight into the multi-faceted nature of holistic mission in Jesus's name and shows the...
