

Yoga for Warriors: Basic Training in Strength, Resilience, and Peace of Mind

By Beryl Bender Birch

SOUNDS TRUE INC, United States, 2014. Paperback. Book Condition: New. 226 x 188 mm. Language: English . Brand New Book. War leaves more than physical scars. Military service men and women today bear invisible wounds-PTSD (Post-Traumatic Stress Disorder), TBI (Traumatic Brain Injury), anxiety, depression-all just as real and painful. This book gives you tools for finding your way as a warrior-whether deployed or in a civilian environment-and adapting to a peaceful life at home. Yoga and meditation have scientific support as a means for relaxing the stress response, sharpening mental acuity, boosting immunity and recovery time, and promoting a general sense of health and psychological well-being. Beryl Bender Birch developed the methods described in Warrior Pose while working with civilians and first-responders in the aftermath of the 9/11 attacks. They include yoga postures, breathing techniques, relaxation and yoga sleep, meditation, and more. In Rear Admiral (ret.) and former Navy SEAL Tom Steffens words, Beryl never takes any subject lightly, trust me, and her insight into the mind-body-spirit connection for military members and veterans results from an in-depth study that she undertook to get this right.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
