Little, Brown Book Group, United Kingdom, 2012. Paperback. Book Condition: New. 214 x 135 mm. Language: English . Brand New Book. Harriet Mansfield, brave, wry and handsome, is determined to triumph no matter what. With a decade of therapy under her belt and a new large inheritance, it seems there is nothing she cannot achieve. So she decides to open the school of her dreams. To her precious little girls, rich in everything but care, she vows to provide the happiest childhoods in the world. For everyone knows that early years passed in delightful ways can set you up for life. But can this ambitious new departure spill some retrospective sweetness onto Harriet's own harsh beginnings, or better still cancel them out altogether? Will the family she's estranged from ever grant her the recognition she craves? Written with deep psychological insight and coal-black humour The Small Hours is a stunning meditation on love, self-love and forgiveness, and their shadowy opposites.
