Toxin Toxout: Getting Harmful Chemicals Out of Our Bodies and Our World

By Bruce Lourie, Rick Smith

St. Martin s Griffin, United States, 2015. Paperback. Book Condition: New. Reprint. 208 x 140 mm. Language: English . Brand New Book. How do I get this stuff out of me? Bruce Lourie and Rick Smith, two of North America s environmental leaders, have been asked this question on an almost daily basis since the publication of their runaway international bestseller, *Slow Death by Rubber Duck: How the Toxic Chemistry of Everyday Life Affects our Health*. Their answer? It s not as simple as we d like, and it s not as easy as we d hope. But it s too important to ignore. In *Toxin Toxout*, Lourie and Smith give practical and often surprising advice for removing toxic chemicals from our bodies and homes. There are over 80,000 synthetic chemicals in commerce today, and the authors use their outrageous experiments (they and their brave volunteers are the guinea pigs) to prove how easily our bodies absorb these chemicals. With trademark humor, they give us the good news about what is in our control, the steps we can take to help our bodies remove our toxic burden -- and what we can do to avoid it in the first place....

Reviews

It is an awesome publication which i actually have ever read through. it had been writtern really properly and valuable. I found out this book from my i and dad recommended this pdf to discover.

-- **Doyle Schmeler**

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
