

The Mysteries, Fun and Gratification of Ancestral DNA Testing: Who Are You?

Filesize: 1.2 MB

Reviews

This publication is wonderful. It can be rally fascinating throgh reading period of time. You are going to like the way the writer create this publication.

(Mrs. Piper Jacobi)

THE MYSTERIES, FUN AND GRATIFICATION OF ANCESTRAL DNA TESTING: WHO ARE YOU?

[DOWNLOAD](#)

Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This book (Approx. 8,865 words in length) is not deeply scientific but rather relates the journey (mine) that a person will take generally who is seeking their ancestral history, including learning enough to understand how to interpret their DNA analysis. As I relate in my numbered posts within this book, there can be satisfaction, surprises and at times, disappointments. All of this can happen when one takes a look at the results of ancestral DNA testing. I wrote this informational book in parts over several months, like one might make entries into a diary. What the information will do, is to help other people considering ancestry testing and analyses, to roughly know what to expect from them. Knowing your ancestral background can be tremendously interesting. There are people in America (many) who simply write Caucasian or White on forms that ask what their ethnicity is. While this may be true, they don't realize that they may have African or Hispanic countries in their ancestral background and possibly some Native American as well. In some cases, a significant percent of their ancestry may have actually come from the Middle East. The same is true of African people in America; they may have more European ancestry in their background than they could have ever imagined. So, breaking into those mysteries via scientific DNA testing that is proven to be accurate (although different companies may report analytical findings differently), can actually be fun, important and truly gratifying. Learn more about DNA testing via my compiled, numbered postings. 1. How My First Testing through Compared to My Known Family History 2. My Reaction to the Analytical Ethnicity Maps 3. My...
