Edward Elgar Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Advanced Introduction to International Conflict and Security Law, Nigel D. White, Advanced Introduction to International Conflict and Security Law provides a concise and insightful guide to the key principles of international law governing peacetime security, the use of force, conflict and post-conflict situations. Nigel D. White explores the complex legal regimes that have been created to control the level of armaments, to limit the occasions when governments can use military force to mitigate the conduct of warfare and to build peace. Key Features include: A comprehensive survey of the relevant international law In-depth coverage written in an accessible style, structured into short, focused chapters A combination of law, practice and politics that introduces the reader to the complexities of the law Detailed coverage of international legal regimes not normally gathered together in one place A critical evaluation of the direction, purposes and content of international conflict and security law, with particular reference to arms control, use of force, collective security, armed conflict, post-conflict situations and private security actors Written in a sharp and engaging style this authoritative introduction provides a unique overview of international conflict and security law. It will be an essential resource for students and researchers in international law and international relations.
