LIGHTNING VERSUS THE LIGHTNING BUG!: HOW ALMOST EVERYONE CAN BECOME MODERATELY RICH WITHOUT TELLING ANY LIES, NOR SELLING ANY TRASH!

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. LIGHTNING Versus the Lightning Bug! is perhaps the most Amazing Book that we have ever seen, and for more than one reason. For Example, it reveals how to spell all words in the English language, in Funetik Ingglish, in less than 20 minutes, which could save us from 8 or more years of spelling lessons in The Public SKQL of IGNERUNT FQLZ, which has 5, 10, 20 or more different ways to spell a single vowel sound, which Master Twain has Graatlee Simplifiid, so that all children and adults can spell any words without the use of dictionaries. In other words, we could save ourselves BILLIONS of dollars by adopting Master Twain s phonetic English KEE TQ PROONUNSEEAASHUN. Moreover, this Inspired Book presents a unique plan for saving TRILLIONS of dollars by building Beautiful Planned City States, which are designed for eternal 100 Employment! Therefore, if anyone is interested in raising their Standard of Living by several times, this is the Book for them to Study with an Open Mind and with a Capital S - as in Study it Carefully and Prayerfully: because it is truly a Revelation from some God, whom Master Twain identifies as the Great Creator God, which is debatable: because no one in recent times has actually talked with any such God, face to face, like Moses supposedly did in Exodus 33:17-23, who saw him in all of his Naked Glory, which Master Twain reveals in words like people have never heard before! Guaranteed! In fact, all such words are not for the faint of heart, or spiritual cowards; but, do not allow those words to Distract your Mind from the far...
