Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *The Dedication: Or an Essay on the True Modern Caesar* Ye who dare be honest amidst the exaltation of the false, and virtuous although you behold the triumph of vice, who scorn to flatter, to fawn, to cringe, to lie, to intrigue, though you daily see the very scum of mankind pass by you, surrounded by the ensigns of power and attended by the shouts of multitudes, - ye whom I am proud to take by the hand, and call Brother, Countryman, Friend, - to you I appeal to lend me a helping hand to the furtherance of the great objects of this publication, which are the satire and ridicule of Vice and Folly, and the denunciation of Tyranny, Imbecility, and Treachery in the great. Read then I pray you, what I have here laboured for your benefit; for, in this *Essay on The True Modern Caesar*, who is the God whom many of you falsely worship, you will see what a poor figure Ignorance makes when she comes forth from that obscurity in which nature destined her to dwell, and is lifted up into places of responsibility and power; how Folly is ridiculous when she attempts to play the Sage under the Lion's skin; and how Vice is doubly hateful, when clad in gold and worshiped by mankind. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [This book is a reproduction of an important historical work.
