## Fish On a Walk

---

By Muggenthaler, Eva.

Enchanted Lion. 1 Cloth(s), 2011. hard. Book Condition: New. One of Germany's most popular illustrators, Eva Muggenthaler here offers a dozen different two-page paintings that are stories in themselves. Each has only a two-word caption ("ScaredBrave," "AloneTogether," "HappySad") yet the images are so full of unexpected and hilarious details that youngsters up to 7 will find no limit to the situations and relationships they can imagine here, making this book ideal for sharing with an adult or other children in a group."An unusual children's book that will lead to visual and conceptual adventures that are profoundly educational."Midwest Book Review"A German surrealist debuts on this side of the Atlantic with a set of independent scenes that will give wings to flights of imagination. [The] central scenarios can be seen in a glance, but further examination reveals smaller and often more ambiguous side business that, properly, invites questions (Why do those ants have shopping bags? Is that a shark's fin in that puddle of spilled soda?) and speculative answers."Kirkus Reviews 29.
