ELLIS ISLAND

[DOWNLOAD](#)

Scholastic Library Pub, United Kingdom, 2012. Paperback. Book Condition: New. Reprint. 234 x 196 mm. Language: English . Brand New Book. Cornerstones of Freedom, Second Series, is the updated and newly designed extension of the acclaimed original series. Focusing specifically on key events in American history, from colonial times to the present day, the Cornerstones books support history, social studies, and geography curricula for middle-school students. Each book includes expanded subject coverage, subheadings, informative sidebars, glossary terms, timelines, and additional resources, as well as an attractive new design and dramatic photographs. As the U.S. entry point for nearly twelve million immigrants in the late 1800s and early 1900s, Ellis Island is truly a cornerstone of our nation's history. Author Judith Jango-Cohen describes the Ellis Island experience from the point of view of immigrants by incorporating real-life stories. In addition, readers will learn about the island's history--from its years of peak operation to its decline--and its reopening as the Ellis Island Immigration Museum.
