#### I WANT YOU: A COMMON SENSE GUIDE FOR PATRIOTS

AUTHORHOUSE, United States, 2004. Paperback. Book Condition: New. 229 x 152 mm. Language: English. Brand New Book \*\*\*\*\*\* Print on Demand \*\*\*\*\*\*. The purpose of this book is threefold. The first objective is to statistically update the citizens of the United States as to our current status on a number of critical issues. The second objective is to compare our rankings and programs with those of selected nations from around the world. The third objective is to offer common sense solutions based upon the brainstorming technique of problem solving. The solutions offered are simplistic, controversial, and merely examples for consideration designed to initiate a creative thought process that we so desperately need within our political and governmental systems. The book is not compromising and addresses the issues as they are with minimal concern as to foreign relations, global issues, financial agendas, social concerns or political correctness. It is directed to those who fervently desire to perpetuate the United States as a proud nation with the inherent strength to maintain our independence without global domination.
