AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.For thousands of years money was real, usually gold or silver, until the Chinese invented paper money to replace real money. They, however, had such a bad time with it, with so many losing everything, time and time again, that it had been outlawed in China for more than a generation before western bankers thought up the idea and convinced King William in 1694 to replace the gold and silver and copper that Englishmen used with their newly printed paper. Thus began a grand experiment that may soon come to an end. The use of paper money, and a debt-based economy (once known as colonialism or imperialism, then capitalism, now called globalization) may soon be grinding down to a halt as nations around the world try to keep up with the United States in their printing of money. Because of derivatives everyone owes everyone else many times more money than the worth of the entire planet. The Kings of this Banker s Kingdom are killing the golden goose of taxpayers who have been supporting their lavish lifestyle for generations. So entitled are these super-rich that they see nothing wrong with goosing the taxpayers of the world for whatever they want. The United States and indeed the nations of the world exist for their benefit. If you understand this then so much of what goes on in the world becomes understandable, but even they are going to grievously suffer in the near future. Everyone is going to be affected! The Book of Revelation, the last book in the Bible, refers to what I believe will be a banking world dictatorship which will require all citizens of earth to carry...
