Pub Date: 2004 Pages: 186 in Publisher: China Youth Press learning economics exercise. Learning model. reading literature. playing metering. data search. on investigation and write papers into apprenticeship. from entering the gate. to the arts. at least five or six years time. If you can learn the economics. not what bitter Eat. And economists also often bitter for music. such as papers from the 16th century to the present 500 years Netherlands cotton market price elasticity is simply people suspected of masochistic tendency. Although tired. but learning economics to establish a correct outlook on life is of great benefit. Disciplines temperament very big impact. I suspect studied psychoanalysis. the Monument to the People's Heroes are afraid to face up to the Tiananmen Square even. However. I have not heard of which economists hair too crazy - Nash might be an exception. so I still do not think he is an economist. Learn economics so optimistic and peaceful. Economists believe that the invisible hand everyone to pursue their own self-interest. under certain conditions. but can contribute to the increase in social public benefit. Although under certain conditions. but I think this is the most optimistic I've seen the social thinking. Studying economics. people think that all things there is always a solution. and this solution we do not have painstakingly design. at the same time and at the profit-driven behavior to guide people on the line as long as the recognition of the legitimacy of the interests of the people to pursue. Economics is full of witty wisdom. and it makes us mediocre people confidence and happiness. Oh. almost forgot to remind everyone: learning the economics have enough self-knowledge....
