CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 88 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. This book consists of three short stories inspired by true events regarding the nature of man in today's shameless world where morality and the traditional family have been covered and lost underneath a huge pile of dung. . . . a disgraceful race of human animals, absorbed with sadistic pleasures, where the herd miserably fails our kids and turns a naive blind eye on the truth of our present, our future, not only tolerating but accepting its modern existence. The first short story titled Disgraceful Humans is a horrifying thriller with a twist that will stab you in the eyes and leave them bloody. (Previously published online at Nite Writers International Literary Arts Journal). The second story titled One More Thing brings you into the morbid intoxicated insanities of a child's attempt to battle demons created in a mentally deranged adult world which ends bloody. The third short story titled The Pigeon will take you on a horrendously exploding but heartfelt journey into the struggling daily life of a common bird - the pigeon - in New York City. All short stories were written with human interest and a learning point. This item ships from La Vergne, TN. Paperback.
