A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

THE ROMANCE OF TATA STEEL

Viking Penguin India, New Delhi, 2007. Hardcover. Book Condition: New. 192pp. 32 b/w, Russi has captured the ? touch and feel? of events in Tata Steel from its early days . . . he also succeeds in bringing to life the human side of the company in a very readable and cogent manner. Lala traces a hundred years and more of the exciting history of Tata Steel? from men searching for iron ore and coking coal in jungle areas, traversing in bullock carts before the site was found, to the company?s modern status as a world-class company. He brings to life a seldom-voiced account of the courage, vision and commitment of the men who created India?s first modern industrial venture which was to be the fountainhead of its industrial growth. The story Lala recounts is an eventful one of struggle for finances, of survival under unimaginable government controls, the evolution of incredibly humane labour practices (like an eight-hour work day much before it was a Western concept), the effort to compete as liberalization was ushered in, and Tata Steel?s ultimate triumph. For over a hundred years, Tata Steel has promoted a...
