Brand New Book ***** Print on Demand *****.Excerpt from Christian Science: Its Divine Authority One of the most noteworthy features of the Christian Science movement is the remarkable spread of its teachings throughout the civilized world. In the year 1879 the first Christian Science Church was established with but twenty-six members. During the intervening years there have been established over twelve hundred churches of this denomination, and the membership has increased by tens of thousands. One can scarcely venture, nowadays, upon sociability with strangers without encountering those who are deeply interested in the subject of Christian Science. There is a reason for such a widespread interest, and it is based on the fact that the original purpose, To organize a church designed to commemorate the word and works of our Master, which should reinstate primitive Christianity and its lost element of healing (Manual, p. 17), is being worked out. There are scores of religions, but only one Christianity, and the Christianity of Christ Jesus heals the sick and sinning by one and the same process.
