Mirrors of Darkness and Light is a compilation of stories, myths, and magic in poetry. It encompasses a wide range of subjects from political commentary to gothic fairy tales and murder. Musings about love and the afterlife color this rich tapestry, and literary enthusiasts will enjoy the structure of each piece.

Experience the beautiful call of the mermaid, the mystery of the selkie, the treachery of a gargoyle, and a taste of Scotland's bloody history. Remember what it was like to see through a child's eyes. Open the mind to different points of view in a world of dreams, agony, pleasure, life, and death. Follow the author across the dance floor, letting the music of words ebb and flow. Allow yourself to be lost in the rhythm until the fine line between what is real and what is fiction becomes dim, and you step through the mirror into another placea].
