Kathamritanidhi: Sri Anantabhattacharya's (Fresh Version of Panchtantra with Critical Edition and Estimate)

By Dr Rama Saxena

Nag Publishers, Delhi, India, 1996. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. Kathamritanidhi is a Book of didactic tales called out and adapted from the Panchatantra. One more version of the famous book of Panchatantra, the manuscripts of which exist only in west and none in its native land, which had not so far seen the light of the day through press in India or anywhere else makes the work valuable. The work is critically edited and studied in various aspects viz. picture of society, political philosophy, comparison of stories with world-literature etc. The identification of old geographical situations with modern ones is an intriguing point; and an original approach to the location of MAHILAROPYA which was considered to be a hypothetical and imaginary city, to MIHRPUR in Bengal with proofs and reasonings is praiseworthy. Various appendices and quotations from other sources and authors etc. go to prove the great value of the book. Printed Pages: 496.
