On Systemic Balance

By Michael A. Goldberg

Hardback. Book Condition: New. Not Signed; Arguing that society has pursued short-run approaches to decision-making that in the long term are counterproductive, *On Systemic Balance* presents a multidimensional and interdisciplinary alternative to problem solving. The usual method of dealing with problems such as housing shortages and environmental protection is a narrow, simplistic, quick, and intrusive solution. This type of solution ultimately ignores the many interrelationships within a system. The long term effect is imbalance and destabilization. The author reinforces his argument with economic and environmental examples. He then introduces alternative approaches to decision making and applies them to several settings. By stressing slow incremental intrusions, regard for interrelationships, and longer term balance, the author suggests that we might redefine problems more appropriately, develop less harmful and more enduring solutions, and provide a more stable environment. Goldberg maintains that we cannot truly predict the consequences of our actions, particularly large-scale actions taken over a short period of time. He presents his argument first by equipping the reader with a set of multidisciplinary tools and second by demonstrating the poor results of our present decision-making style. He then introduces an alternative approach which borrows from biology, economics, management, and anthropology and applies...

Reviews

This kind of pdf is every thing and made me seeking ahead plus more. It is probably the most amazing ebook i have study. I am quickly can get a enjoyment of reading a composed pdf.

-- **Florence Rutherford DDS**

Definitely among the best ebook I actually have possibly read through. It is really simplified but unexpected situations in the 50 % from the publication. You wont truly feel monotony at at any time of the time (that's what catalogues are for concerning in the event you ask me).
