Reviews

A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.

(Dr. Grady Jacobi DDS)

DEFYING DISFRANCHISEMENT: BLACK VOTING RIGHTS ACTIVISM IN THE JIM CROW SOUTH 1890-1908.

Louisiana State University Press Lond, Baton Rouge and London. Hardcover. Book Condition: New. 344 pages. Hardcover with dustjacket. New book. HISTORY. In the late nineteenth and early twentieth century, Jim Crow strengthened rapidly and several southern states adopted new constitutions designed primarily to strip African American men of their right to vote. Since the Fifteenth Amendment to the United States Constitution prohibited eliminating voters based on race, the South concocted property requirements, literacy tests, poll taxes, white primaries, and white control of the voting apparatus to eliminate the region's black vote almost entirely. Desperate to save their ballots, black political leaders, attorneys, preachers, and activists fought back in the courts, sustaining that resistance until the nascent NAACP took over the legal battle. In *Defying Disfranchisement*, R. Volney Riser documents a number of lawsuits challenging restrictive voting requirements. Though the U.S. Supreme Court received twelve of these cases, that body coldly ignored the systematic disfranchisement of black southerners. Nevertheless, as Riser shows, the attempts themselves were stunning and demonstrate that African Americans sheltered and nurtured a hope that led to wholesale changes in the American legal and political landscape. Riser chronicles numerous significant antidisfranchisement cases, from South Carolina's *Mills v. Green* (1885), the first such case to reach to Supreme Court, and *Williams v. Mississippi*, (1898), the well-known but little-understood challenge to Mississippi's constitution, to the underappreciated landmark *Giles v. Harris*—described as the "Second Dred Scott" by contemporaries—in which the Court upheld Alabama's 1901 state constitution. In between, he examines a host of voting rights campaigns waged throughout the country and legal challenges initiated across the South by both black and white southerners. Often disputatious, frequently disorganized, and woefully underfunded, the antidisfranchisement activists of 1890-1908 lost, and badly; in some cases, their repeated and infuriating defeats not only left the status...
