CORAX, United Kingdom, 2015. Paperback. Book Condition: New. 178 x 111 mm. Language: English . Brand New Book ***** Print on Demand *****.FIVE STARS Mysterious, intelligent and wonderfully creepy. (The Reader s Hollow) Ultimately, Selwood has written what can only be described as a perfect short story. Any reader who loves a high quality work of fiction will definitely appreciate this short story, because the research alone is fascinating - it is rich with interesting information and references, but it also captures a pleasantly dark mood. There is nothing predictable about the story and the only way to know what is going to happen next is by reading the next page. (Horrorpalace) It is 1904, and an Oxford don decides to spend the Christmas vacation conducting research in rural Norfolk. But in the library of the country house where he is staying, he finds the records of a terrifying tragedy. A short story. A homage to M R James.
