The list of its friends is daily swelled by the additions of fifties, of hundreds and thousands. The cause itself seems suddenly transformed from a cold abstract theory to a living, breathing, active and powerful chieftain, going forth conquering and to conquer. The citadels of his great adversary are daily being stormed and dismantled: his temples and his altars, where the rites of his idolatrous worship have long been performed, and where human sacrifices have long been wont to be made, are daily desecrated and deserted. The trump of the conqueror s fame is sounding from hill to hill, from sea to sea, and from land to land, and calling millions to his standard at a blast. For this new and splendid success we heartily rejoice. That that success is so much greater now than heretofore is doubtless owing to rational causes; and if we would have it continue we shall do well to inquire what those causes are. The warfare heretofore waged against the demon intemperance has, somehow or other been erroneous. Either the champions engaged, or the tactics they adopted, have not been the most proper.
