Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

MURILLO: AT DULWICH PICTURE GALLERY

Philip Wilson Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Murillo: At Dulwich Picture Gallery, Xavier Bray, The paintings of Bartolome Esteban Murillo (1618-1682), which depict women and children of the artist's world, as well as elegantly-handled religious subjects, constitute an extensive and appealing record of the everyday life of his times. Taking the Dulwich Picture Gallery's excellent collection of masterpieces as a starting point, this book demonstrates Murillo's far-reaching popularity and the influence he had on artists such as Thomas Gainsborough, whose 'fancy pictures' show a clear affinity with Murillo's paintings of children. It sumptuously illustrates the main artworks, while reproductions of other Murillo paintings put the master's enduring art into a historical and social context. The book also provides important new scholarship on attribution and technique, with x-ray images revealing fresh and unexpected insights into the genesis and evolution of Murillo's compositions. One piece has never before been shown in print and several of the other key works have been newly conserved - bringing them back to life in their full splendour.
