Reviews

*A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.
(Dr. Grady Jacobi DDS)*

TRACK DOWN THE WEASEL WORDS AND OTHER STRATEGIES TO REVISE AND IMPROVE YOUR MANUSCRIPT WRITING LESSONS FROM THE FRONT VOLUME 4

Hunthaven Press. Paperback. Book Condition: New. Paperback. 38 pages. Dimensions: 8.0in. x 5.3in. x 0.2in. Suppose you took your car to a mechanic who greeted you in about an hour and said, You'll be pleased to know that I replaced your dead battery and added 250 unnecessary parts. Just as unnecessary parts would ruin a car engine, so unnecessary words, phrases, and elements can do damage to a story engine. Veteran writer Angela Hunt shares tips and strategies to help you revise your writing and make it the best it can be. These lessons, Hunt says, are brief for a reason I don't want you to spend most of your time reading how-to books. I will give you what you need so you can put what you've learned into practice. That's the best way to improve. Enjoy this writing lesson for a fraction of the cost of attending one of Angela's writing classes--your writing will never be the same. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
