

Thousands Not Billions: Challenging an Icon of Evolution, Questioning the Age of the Earth

Filesize: 6.51 MB

Reviews

This is actually the greatest publication i have go through right up until now. I really could comprehended every little thing using this composed e book. I realized this book from my i and dad advised this ebook to learn.

(Jimmie Schmidt I)

THOUSANDS NOT BILLIONS: CHALLENGING AN ICON OF EVOLUTION, QUESTIONING THE AGE OF THE EARTH

Master Books, United States, 2005. Paperback. Book Condition: New. 223 x 147 mm. Language: English . Brand New Book. Destroys one of the major barriers for faith seekers: alleged long ages for the earth Provides scientific evidences that correlate to biblical history and time-lines Can be used as an apologetic; many shun the faith because of alleged scientific facts A sensational answer to old earth critics A powerful book written in plain language This long-awaited book shatters the famed dating methods employed by evolutionists to cast doubt on the veracity of the Bible and its chronology of earth history. Radiometric dating is one of the linchpins of evolutionary education today. By dating the soil in which fossils are found to very long ages, evolutionists undermine faith in Genesis as the true documentary of the history of the universe. When people are told that a dinosaur bone has been determined to be tens of millions of years old, that obviously doesn't square with the biblical record of man being created on day 6 with the land animals. But DeYoung now demonstrates that Christians no longer have to puzzle over this glaring contradiction. A must-have for the serious Bible student, Thousands . . . not Billions will bolster the faith of many.
